

Unlock the Potential of Experienced Professionals with NM-NEW

Seeking Skilled Professionals to Join Your Team?

NM-NEW connects you with experienced professionals ready to contribute as employees, consultants, advisors, and more.

The Benefits of Hiring Older Workers Include:

A Strong Work Ethic and Robust Network

Older workers bring extensive skills, experience, and networks.

Enhanced Diversity and Inclusivity

Multi-generational teams create a diverse workforce that is more productive.*

Loyal Problem Solvers

New Elders are more engaged on the job, creating stability and enhancing morale.**

About NM-NEW:

NM-NEW is a program of CNM Ingenuity. We aim to provide retirees with meaningful opportunities and support to continue contributing to the community and economy at their own pace. NM-NEW engages New Mexicans aged 50+ through learning events, work, volunteering, and social connections.
