

Build your IT/tech talent pipeline with apprenticeship!

NM Information Technology Apprenticeship Program (NMITAP)

*The first and only IT registered apprenticeship
program in New Mexico, sponsored by CNM Ingenuity,
Inc. and administered by the CNM Division of
Workforce & Community Success.*

Employer Benefits

- Develop talent to fit your company's culture and pace.
- Provide on-the-job learning for apprentices while they earn for industry-recognized certifications.
- Support the local community.
- Develop mentors who receive NMITAP training and support.
- Boost retention and reduce turnover.

NMITAP Program & Pathways

In one to two years, apprentices can complete one of the four pathways:

- Tech Support Specialist
- Network Support Specialist
- Application Developer
- Cyber Security Support Technician

Training for apprentices is paid by
NMITAP

Visit our website to learn more today!

NMITAP Apprentices

- First-time college students, current students, or unemployed workers seeking skills and development.
- Current employees in IT who want and need to gain new skills and move up in their organization.
- Veterans looking for civilian careers or other workers whose prior learning and experience can be applied towards a program of study.
