INVITATION FOR BIDS
Sandoval County Public Works Department
Invitation For Bid No. FY27-SCPW-01

SANDOVAL COUNTY JUDICIAL COMPLEX EXPANSION & RENOVATION

Multi-Step Sealed Bids (NMAC 1.4.1.27)

Phased bid process: Technical Evaluation phase will proceed request for competitive sealed price bid. Only bidders with technically acceptable offers will receive a request to submit a competitive sealed bid.

Technical Offers will be received by the Finance Department at the Sandoval County Administrative Bldg., 1500 Idalia Road Bldg. D, 2nd Floor, Bernalillo, NM 87004 no later than **Friday August 21, 2026, at 3:00 P.M.**

Envelopes are to be sealed and plainly marked: **Sandoval County Judicial Complex Expansion and Renovation - IFB No. FY27-SCPW-01. No faxed or electronically transmitted offers nor offers submitted after the above date and time will be considered and will be returned unopened.**

Bidders Minimum Qualifications:

Bidder's qualifications will not be ranked but will be categorized as either "Acceptable" or "Unacceptable". The Minimum Qualifications shall be defined by the following:

Acceptable: The Bidder's Contractor's Qualification Statement demonstrates Past Project Experience completing projects of a similar nature as requested in this IFB within the last 10 years:

- a. Completed projects within 20% of projects overall building area.
- b. Completed projects requiring phased construction to maintain current building operations and site access. Phased construction is defined as projects that impact ongoing building operations that require delaying work, staggered sequencing of work, and providing emergency procedures with redundant systems to maintain building safety, occupant safety, and uninterrupted building use.
- c. Completed projects consisting of a mix of heavy renovation, new work, and new site work involving an occupied building with a cost of construction between \$30M and \$50M.
- d. Completed projects requiring replacement of primary utility connections (water, electrical, fire protection, HVAC, communications, security) in an occupied multi-story building with a minimum size of 50,000 SF.
- e. Completed projects with similar and comparable complexity of building systems, security requirements, and specialty interior finishes.

The Procurement Officer or representative, on behalf of Sandoval County, may or may not contact any or all of the cited References, and in addition, may contact any other reference of choice. These Minimum Qualifications are requirements that must be met by a Bidder in order to submit a responsive Bid.

Unacceptable: The Bidder's Contractor's Qualification Statement does not demonstrate the capacity and/or the complete work of a similar nature within the last 10 years as requested in this IFB.

The basis of award will be to the lowest responsive and responsible price submitted in accordance with these bidding documents, (Technical Proposal followed by Sealed Bid Pricing).

Once the technical proposals have been evaluated, all Bidders will be notified as to the results of their firm's Technical Offer as being deemed "Acceptable" or "Unacceptable". Bidders deemed "Acceptable" will receive an invitation to submit a competitive sealed bid. Bids will be opened publicly at a date and time specified by Sandoval County. Only Bids from approved Bidders will be accepted.

Debriefing of unsuccessful Bidders shall be conducted upon written request submitted to the Purchasing Office within a reasonable time. A debriefing shall be scheduled at the earliest feasible time AFTER CONTRACT AWARD by Sandoval County. The debriefing should be limited to a discussion of the unsuccessful Bidder's technical offer only and should provide information on areas in which it was deemed weak or deficient.

DESCRIPTION OF PROJECT: The project scope includes adding a 61,000 sf 2-story addition and renovation within the existing occupied 52,500 sf Sandoval County Thirteenth Judicial District complex. Associated site work will move public access from the west to the east side of the building with the existing entry remaining for staff. Access from both NM State Road 528 (Pat D'Arco Hwy) and Idalia Road are planned as future connections not included in this project. The existing building will remain in full use during construction.

The addition will be of similar construction to the existing building consisting of steel structural frame, metal stud exterior framing, exterior insulating finish system and membrane roof system. The foundation system will be cast-in-place concrete supported by rammed aggregate piers.

A mandatory Pre-Bid Meeting will be held at the Sandoval County Administrative Bldg. 1st Level conference room, located at 1500 Idalia Road Bldg. D, Bernalillo, NM 87004 @ 11:00am on Tuesday, July 28, 2026.

For instructions to bidders, including proposal forms, contract documents, etc., to be used in connection with the submission of Technical Offer, the bidders may obtain a bid package at:

Sandoval County Request for Proposals website:

<https://www.sandovalcountynm.gov/departments/online-business/request-for-proposal/>

Any questions concerning the General and Contractual Conditions of the bid shall be directed to Leslie Olivas, Senior Procurement Specialist at (505) 404-5873, ldolivas@sandovalcountynm.gov. Questions regarding the specifications and scope should be directed to the Project Architect at Huitt-Zollars, Larry McDonald, AIA, (505) 883-8114, lmcdonald@huitt-zollars.com.

Sandoval County (Owner) reserves the right to accept or reject any or all bids, to delete portions of bids depending on availability of funds, to waive technicalities, to make any investigations deemed necessary of a bidder's ability to perform the work covered by the bid documents and to accept the bid it deems to be in the best interest of the County.

PROJECT SPECIFIC QUALIFICATIONS QUESTIONNAIRE

Project Name: **Sandoval County Public Works Department**
Invitation For Bid No. FY27-SCPW-01

I. EXPERIENCE RELATED TO THE PROJECT

The Bidder's Contractor's Qualification Statement demonstrates Past Project Experience: Complete Exhibit D to describe **up to four projects** performed by the Contractor's Project Office, either completed or in progress within the last 10 years, that are relevant to this Project.

Individual Project examples do not need to specifically meet all the criteria listed under "EXPERIENCE RELATED TO THE PROJECT", but will be evaluated as a representative whole by the Owner. Cumulative project experience that meets the criteria listed will be deemed as "Acceptable".

- A. List the business license and contractor license or registration numbers for the Contractor's Project Office that will pertain to the Project.
- B. Identify key personnel from your organization who will be meaningfully involved with work on this Project and indicate (1) their position on the Project team, (2) their office location, (3) their expertise and experience, and (4) projects similar to the Project on which they have worked.
- C. Identify portions of work that you intend to self-perform on this Project.
- D. Indicate type of work sought; such as general contracting or construction manager as constructor.
- E. List projects completed within 20% of projects overall building area.
- F. List projects completed requiring phased construction to maintain current building operations and site access. Phased construction is defined as projects that impact ongoing building operations that require delaying work, staggered sequencing of work, and providing emergency procedures with redundant systems to maintain building safety, occupant safety, and uninterrupted building use.
- G. List projects completed consisting of a mix of heavy renovation, new work, and extensive site work involving an occupied building with a minimum cost of construction between \$30M and \$50M.
- H. List projects completed requiring replacement of primary utility connections (water, electrical, fire protection, HVAC, communications, security) in an occupied multi-story building with a minimum size of 50,000 SF.
- I. List projects completed with similar and comparable complexity of building systems, security requirements, and specialty interior finishes.

- J. Describe a proposed scheduling and phasing approach that maintains uninterrupted building occupancy. Focus on timing of utility switchover in relation to overall project timeline.
- K. Describe potential issues, exclusions, and unknowns that may impact overall project schedule.
- L. Complete Exhibit D to describe up to four projects performed by the Contractor's Project Office, either completed or in progress, that are relevant to this Project, such as projects in a similar geographic area or of similar project type. If you have already completed Exhibit D, but want to provide further examples of projects that are relevant to this Project, you may complete Exhibit E.

II. SAFETY PROGRAM AND RECORD

- A. Does your firm have a written safety program compliant with current State regulations? If yes, state the names of key safety personnel and/or lead safety program manager.
- B. Attach the Contractor's Project Office's OSHA 300a Summary of Work-Related Injuries and Illnesses form for the last three years.
- C. Attach a copy of your insurance agent's verification letter for your organization's current workers' compensation experience modification rate and rates for the last three years.

III. INSURANCE

- A. Does your commercial general liability policy contain any exclusions or restrictions of coverage that are prohibited in AIA Document A101-2017, Exhibit A, Insurance A.3.2.2.2? If so, identify
- B. If requested, will your organization be able to provide a performance and payment bond for this Project?

IV. SURETY

- A. Surety company name:
- B. Total bonding capacity:
- C. Is your firm able to obtain bonding in the amount required for this construction project?

V. CONTRACTOR'S COMMENTS:

- A. Use this area or attach a sheet to provide further explanation of the answers to any questions asked in this Qualifications Questionnaire.
