

NOTICE OF EMERGENCY RULEMAKING

The Health Care Authority (HCA) Income Support Division (ISD) is implementing a temporary emergency rule to be effective January 1, 2026, this does not permanently amend or repeal the existing rule and will only remain in effect until this permanent rule takes effect under the normal rule making process.

These temporary amendments are required as a result of House of Representatives Bill 1 (H.R. 1), which was signed into law by President Donald J. Trump on July 4, 2025. Section 10102 of H.R. 1 modifies Supplemental Nutrition Assistance Program (SNAP) work requirements for able-bodied adults, and Section 10108 modifies SNAP eligibility for non-citizens.

Under H.R. 1, the federal requirements were to be implemented no later than November 1, 2025. However, the Authority did not receive formal notification and detailed federal guidance from the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS):

- Section 10102 on October 3, 2025 SNAP Provisions of the One Big Beautiful Bill Act of 2025: ABAWD Waivers - Implementation Memorandum | Food and Nutrition Service
- Section 10108 on October 30, 2025 Supplemental Nutrition Assistance Program (SNAP) Implementation of the One Big Beautiful Bill Act of 2025 - Alien SNAP Eligibility | Food and Nutrition Service.

These changes became effective upon enactment. Due to the untimely receipt of federal guidance, the Authority was unable to meet the November 1, 2025, implementation date, and the earliest feasible implementation date is January 1, 2026.

Because the Authority does not have sufficient time to complete the regular rulemaking process while meeting the new implementation timeline, an emergency rule is being filed to ensure federal compliance.

Accordingly, the ISD is implementing a temporary emergency rule, effective January 1, 2026, to the following sections of the New Mexico Administrative Code (NMAC) 8.139.410:

Section 9:

(1) HCA shall inform the local DHS office only when an official determination is made that any individual who is applying for or receives benefits is present in the U.S. in violation of the INA. An official determination that an undocumented immigrant is in the U.S. in violation of the INA is only made when:

(a) the undocumented alien's unlawful presence is a finding of fact or conclusion of law that is made by HCA as part of a formal determination about the individual's eligibility; and

(b) HCA finding is supported by a determination by DHS or the executive office of immigration review (EOIR) that the non-citizen is unlawfully residing in the US, such as a final order of deportation.

(2) A systematic alien verification for entitlements (SAVE) response showing no service record on an individual or an immigration status making the individual ineligible for a benefit is not a finding of fact or conclusion of law that the individual is not lawfully present.

(3) Undocumented immigrant status is considered reported when ISD enters the information about the non-citizen into the household's computer file.

(4) When a household indicates inability or unwillingness to provide documentation of immigrant status for any household member, HCA must classify that member as an ineligible immigrant.
